

## **ILFRACOMBE GOLF CLUB: DRESS CODE**

### **General Information**

Ilfracombe Golf Club wants to convey a modern and relaxed approach to its dress regulations; and, hopes that members, visitors and guests will assist in maintaining the standards expected both on the course and in the Clubhouse. We acknowledge that we are located in a busy tourist area and that our guests and visitors may not always be prepared as we would hope. Nethertheless:

- On the course, smart, recognised, golf clothing and golf shoes will be worn.
- Dress in the clubhouse should be recognised golf clothing or smart casual clothes. Caps/hats or golf shoes will not be worn and all clothing should be clean, dry and free from rips or tears.
- Dress code for private events will be as agreed between the Steward and the event organisers. It will be the organiser's responsibility for communicating this to guests.
- Ilfracombe Golf Club reserves the right to refuse admission to the Course or Clubhouse if individuals are not able to comply with our dress code, normal courtesies or the rules of golf.

### **And finally**

Please avoid any embarrassing situations; staff and members have been mandated by the Captain and Committee to ensure that the above rules and guidance are maintained.
